

1. **Family name:** FARNWORTH
2. **First names:** Dr. Cathy Rozel
3. **Date of birth:** 19 February 1964
4. **Nationality:** British
5. **Education**

INSTITUTION DATE (FROM – TO)	DEGREE(S) OR DIPLOMA(S) OBTAINED:
Department of Rural Development Studies, University of Agricultural Sciences, Uppsala, Sweden 01/2000 – 10/2004	Ph.D. in Gender and Agricultural Sciences (award winner) Fieldwork in organic/fair spice value chains Madagascar / Germany
University of East Anglia, UK 09/1995 – 06/1996	Master in Gender Analysis (Distinction) Fieldwork/thesis on gender in irrigation systems, Zimbabwe
Birkbeck College, University of London 09/1993 – 06/1994	Diploma in Management of Change (in organisations)
University of Sussex, UK 09/1983 – 06/1986	BA Hons (2:1) in Development Studies and English Literature

6. **Language skills: Indicate competence on a scale of 1 to 5 (1 – excellent; 5 – basic)**

LANGUAGE	READING	SPEAKING	WRITING
English	mother tongue		
German	1	1	1
French	3	3	3

7. **Membership of professional bodies:** n/a
8. **Other skills (e.g. Computer literacy, etc.):** Advanced computer literacy
9. **Present position:** Gender Researcher
10. **Summary**

- Over 20 years of global (SSA, SE and South Asia, CWANA) research experience in social and gender inclusion analysis in smallholder farming, climate change adaptation & mitigation strategies, pro-poor youth & gender-equitable value chain development (VCD), food & nutrition security.
- Key expert for development of multi-sector national programmes (CDCS), national programme evaluations, public-private sector partnerships for gender equality in VCD (livestock including fisheries, crop agriculture) and climate-smart agriculture, social inclusion and equity, intersectionality.
- Considerable experience of developing gender-responsive agricultural products, particularly in capacity development: tip sheets, extension manuals, guidance notes for rural advisory services on gender and inclusion; tipsheets on developing and rolling out household methodologies (HHM - livelihood and financial planning systems) including Gender Action Learning System (GALS) and other HHM; tipsheets on contract farming directed at cooperatives and other stakeholders.
- Development of participatory action research toolkits (including for project impact assessment); qualitative toolkits to capture gender-disaggregated data (including participatory value chain analyses, semi-structured questionnaires, FGD and Key Informant instruments); decision systems mapping instruments; stakeholder mapping instruments; tools to assess quality of life; co-development of quantitative survey instruments for sex-disaggregated data.
- Developing and mainstreaming gender research and social inclusion policies (in research organisations, agricultural federation with core focus on agricultural organisation membership including cooperatives, associations).
- Excellent research, analytical, writing, communication and presentation skills. Considerable training experience of national teams in research instruments, data analysis, and preparing articles for journal publication.
